This is a simple check off list. Every party is different; some of the above items might not apply. Please keep in mind that we are usually cleaning up from a party before you get here; so you may come inside 15 minutes before your reserved party time. We will help set up and then you can sit back enjoy as our trained party hostess runs your party. First, we will spend one hour inside the party cottage playing games, singing happy birthday, eating and opening presents. Then, we will go outside to play. Water Wars is discounted for \$2/six balloons for birthdays. If you want to play Water Wars, you might want to suggest to your guest to wear swimsuit under their clothes. Please be aware many times we have another party after your reserved time, so please let your guest know that we start every party on time every time. We are looking forward to having a GREAT BIRTHDAY PARTY! If you have any questions, please feel free to call us at (409)751-KING (5464).

P.S. Gratuity is not included for your party hostess.
